RECITAL GUIDELINES

1. Teachers prepare a separate recital slip for each performer, using photocopies of the sample recital form in this handbook. Please list composers' first name or initial and last name.
2. Adhere to deadlines, and submit the entry forms in the format preferred by the chair (shown on the forms). E-mail the chair to confirm that you have mailed your forms.
3. Performers should arrive 10-15 minutes prior to the performance and report to the chair.
4. Solo pianists are required to perform from memory in GCMTA recitals. Memory is optional for other performers, i.e. piano ensemble or instrumentalists. No photocopies.
5. Recital etiquette is the responsibility of the teacher. Please inform parents and students about:
 - (a) bowing
 - (b) remaining silent during the performance
 - (c) staying until the end of the recital (required to receive Gold Cup Points)
 - (d) leaving and returning during the recital to use a rest room between performances.
 - (e) refraining from using flash cameras during the recital (video cameras are permitted to tape one's own students, but one must have permission from the family to tape another student)
 - (f) leaving small children and babies at home.
6. It is recommended that teachers be in attendance when their students are performing to handle any problems. Teachers who must be absent should arrange for another adult to handle any problems that might arise.
7. Any special requests, such as early or late recital times, should be noted on the entry forms. The chair will try to honor the request, but is under no obligation to do so.
8. Chairperson has the discretion as to playing order; however, draft programs will go out before the event, and participating teachers must contact the chair within 24 hour of receiving the draft to request any changes including playing order.
